Grape Vine Specialists
FREDONIA : NEW YORK

Our Specialty

FOR more than thirty-six years we have made the growing of high grade Grape Vines a specialty. Our annual plantings average over one hundred acres, embracing many millions of vines, closely planted in nursery rows. We aim to keep in stock everything for the Planter or Dealer, all graded to our standard, known as the *Fredonia Standard*, which we originated many years ago, and now well known to the trade wherever grape vines are planted. Through our immense business and wide acquaintance we have established a national reputation for accuracy in varieties, grading to the highest standard, and promptness in filling orders, of which we are proud, and which it will always be our aim to deserve.

Location.—Three miles south of Dunkirk, forty miles west of Buffalo, on the L. S. & M. S. R. R.; Erie R. R.; N. Y. Chi. & St. L. (Nickel Plate) R. R.; Penn'a R. R.; and D. A. V. & P. R. R. Electric cars connecting with all day and evening trains at Dunkirk, go directly past our office and cellars, at 29 Central Avenue.

Packing done in the most thorough manner. *No charge for boxes.*

Time of Shipment.—October 1 to June 1. Our stock being stored in cellars, can be safely sent by mail or express any time during winter, or by freight with extra care in packing. Goods delivered free at our freight, express, or post office, after which our responsibility ceases.

We Never Substitute, but we reserve the right to fill orders for one-year vines with older vines of the same size, unless instructed to the contrary, and for two-year vines with extra large one-year of the same size as the two-year.

Samples will be mailed to those wishing to purchase in quantity, at 100 rates with five cents added for postage on three one-year vines, and ten cents on three two-year vines.

GUARANTEE

We warrant our stock true to name and quality represented, with the express understanding and agreement that should any not prove true to name, we will refund the money paid or replace with others that are true, but will not be liable for damages other than herein named.

TERMS

Cash with the order, or satisfactory references from unknown correspondents.

All Bills must be paid by December 1, unless otherwise agreed.

For all Bills not paid by December 1, we will draw at sight without notification.

Interest charged on all bills overdue. *Note Payable at Bank* for 30 or 60 days will be accepted on satisfactory references.

If to be Shipped C. O. D., one-fourth of the bill or satisfactory references required with order from unknown correspondents; return charges on money to be paid by buyer.

As the Season Advances we are likely to be short of some varieties, and we reserve the right to advance the prices without notice, or decline to allow the discounts offered on page 5. We advise our customers to order early.

From Responsible Dealers who wish to order in the Fall for Spring trade (the vines not to be shipped before November 1) we will accept note at bank, without interest, due June 1 next.

Weight of Grape vines packed for shipment:

1 year No. 1, about 140 to 180 pounds per 1,000.

1 year No. 2, about 100 to 150 pounds per 1,000.

2 year No. 1, about 280 to 350 pounds per 1,000.

These are about the average weights for a single thousand, including box. Where a number of thousand are shipped in the same box, the weight will average from one-fifth to one-third less, according to quantity.

We will quote freight or express rates to any point on application.

GREEN'S EARLY

Is a white grape, in size nearly as large as Niagara, of fine quality, ripening before Moore's Early; an excellent shipper. The vine is a chance seedling of the Concord type, discovered about thirteen years ago in Portland, Chautauqua Co., N. Y. It has been quite largely planted in this county, where it has attracted much attention among vineyardists. We believe it a valuable acquisition and recommend its trial.

Copy of Certificate of Inspection

This is to certify that the stock in the nursery of T. S. Hubbard Co., of Fredonia, County of Chautauqua, State of New York, was duly examined in compliance with the provisions of Chapter 519 of the Laws of 1902, and it was found to be apparently free in all respects from any contagious or infectious disease or diseases, or the San José scale or other dangerously injurious pest or pests. This Certificate expires June 30, 1903.
